Hi Bob,

Thank you for your email and your follow up. We are so pleased to welcome Mr. and Mrs. Yamaguchi to the Greenbrier. Please thank them for their participation and we look forward seeing them soon.

Please confirm, when they say "they hope to attend all days for the tournament" they mean Thursday through Sunday or only Saturday and Sunday? Either way is fine I just want to make sure I understand correctly. We can offer 2 VIP Tournament passes and one parking pass for all the days they would like to attend. As you know, unfortunately, we cannot offer overnight hotel accommodations at the Greenbrier.

Again, thanks for your help and I am sorry to bother you with this. Please let me know if Mr. and Mrs. Yamaguchi would like passes for Thursday through Sunday or for only Saturday and Sunday.

Hi Bob,

Thank you for your time on the phone last week. As I mentioned, the Greenbrier Classic, a PGA tour event, will be held at the Greenbrier in July. <http://www.greenbrierclassic.com/Spectator-Info/Schedule-Of-Events>

The West Virginia Department of Commerce helps to support the event by serving as a sponsor. As part of that sponsorship we have access to tickets to the tournament which we offer our important business contacts. We are inviting our West Virginia Japanese companies to attend the PGA tournament on the day of their convenience - Saturday, July 4 or Sunday, July 5.

We are pleased to invite NGK to attend the tournament as our guest on Saturday, July 4 or Sunday, July 5. Although we are not able to offer lodging, we are offering two tickets and a parking pass for the day you prefer. The tickets will enable the attendees to view the action from our guest box on the 18<sup>th</sup> green and to walk the course in the spectator areas. The gates open at 8:00 a.m., but our guests are welcome to arrive and depart anytime at their convenience on that day. The Governor will greet our guests at 12:00 Noon in our guest box on July 4 and July 5; otherwise there is no agenda and the day is open.

Please let me know the names and titles of those interested in attending and the day you prefer. If no one is able to attend on July 4 or 5, but someone is interested in attending on another day, please let me know. We have a limited number of tickets for each day of the tournament and will be happy to provide tickets if we have any available.

Thank you for your consideration and assistance. I look forward to hearing from you.

Hi Bob,

Tomorrow early evening around 530pm I might drop off the Greenbrier Classic passes for Mr. and Mrs. Yamaguchi to NGK's reception desk Please let me know if this is OK or if you prefer I drop off the passes Thursday during normal business hours.

We are showing a prospect some office space in the Charleston area and they said they would like to drive by NGK if possible. So we may drive by at the end of the business day tomorrow. The company is an NGK supplier in Japan. This prospect has asked us several questions, including "how much is the average or starting salary to hire a bilingual (Japanese & English) administrative person?" We are having trouble finding this through general research so I am asking a few of our companies if they can provide us with an estimate. We will not share NGK's name and only provide the estimated salaries as examples. Of course we understand if this information is confidential.

Thank you for your consideration. And congratulations on your position as the new Chair of the West Virginia Manufacturers Association. We really appreciate your work and personal commitment to West Virginia.

Sincerely,

The West Virginia Department of Commerce helps to support the event by serving as a sponsor. As part of that sponsorship we have access to tickets to the tournament which we offer our important business contacts. We are inviting our West Virginia Japanese manufacturers to attend the PGA tournament on the day of their convenience - Saturday, July 4 or Sunday, July 5.

We are pleased to invite Sanko Electronics to attend the tournament as our guest on Saturday, July 4 or Sunday, July 5. Although we are not able to offer lodging, we are offering two tickets and a parking pass for the day you prefer. The tickets will enable the attendees to view the action from our guest box on the 18<sup>th</sup> green and to walk the course in the spectator areas. The gates open at 8:00 a.m., but our guests are welcome to arrive and depart anytime at their convenience on that day. The Governor will greet our guests at 12:00 Noon in our guest box on July 4 and July 5; otherwise there is no agenda and the day is open.

Please let me know the names and titles of those interested in attending and the day you prefer. If no one is able to attend on July 4 or 5, but someone is interested in attending on another day, please let me know. We have a limited number of tickets for each day of the tournament and will be happy to provide tickets if we have any available.

Thank you for your consideration and assistance. I look forward to hearing from you.

Hi Tom,

Thank you for your nice email. We are sorry to miss you but certainly understand. Of course it is always good for West Virginia when our companies are busy!

I hope you are having a nice summer otherwise and to see you soon.

Hollie,  
Thanks again for the invitation to attend the Greenbrier Classic. Several of us at Kureha have much enjoyed attending in past years and really appreciate this invitation. Unfortunately, this year all Kureha employees will be fully engaged in operating the plant at that time, so none can attend the Greenbrier Classic this year. We hope you understand, and we hope it is another great event for the state of West Virginia.

Thanks and good luck.

Best regards,  
Tom

Hi Yumiko,

Thank you for your help with Nagoya Denki and the Greenbrier Classic. I am working on Mr. Moronuki and Mr. Kagimoto's schedule today and hope to have the details for you by 530pm.

I have just a few "odds and ends" questions about both Greenbrier Classic and Nagoya Denki.

1. For Sunday, July 5 at the Greenbrier Classic will Mr. Moronuki, Mr. Shirotani and Mr. Kagimoto drive together and need just one parking pass or will they need more than one parking pass. Please let me know. Thank you.
2. I checked with our Japan office regarding Nagoya Denki's attendance at the Nagoya Chamber event last year when Millie spoke. They did not attend.
3. Regarding your question yesterday, Mr. Nakamura from Nagoya Denki does have one question we know in advance. He would like to know the average or starting salary for a bilingual administrative person. We think Mr. Nakamura would like to hire someone who speaks English and Japanese and wants to understand about how much the salary will be in United States. Of course we understand if this information is confidential. Thank you.

Thanks again for your help. I look forward to seeing you tomorrow.

Hello Hollie and Steve,

Thank you very much for reserving the 9 day passes for the Greenbrier Classic on Sunday, July 5<sup>th</sup>! We are all looking forward to the event! It looks like we will need 4 parking passes and we hope this will not be any trouble.

Mr. Yamaguchi is going to find out which night Mr. Kurita would prefer to stay at the Greenbrier. I will let you know as soon as I find out.

We hope you enjoyed the wine and that you both have recovered from your travels. We also can't thank you enough for the support that the West Virginia Development Office has shown and continues to provide Diamond Electric. Mr. Yamaguchi and I were talking last week and he shared with me how much he and other Japanese employees (including those in our corporate office in Japan) appreciate the hospitality, accessibility and interest in our business shown by government officials in West Virginia. I can honestly say this comfort level played a huge role in the decision to relocate the corporate office from Dundee, Michigan to Eleanor, West Virginia.

Thank you again and we will see you soon.

Or, after picking up our guests, we could meet Kyle in Lewisburg at a coffee shop, maybe? What do you think? Thanks for your help on this.

If we ask Kyle to meet in Greenbrier County on July 1, can we get him on the property without making him catch a shuttle, etc? I guess someone could pick him up or you could have the meeting off site?

Hi Chad,

Thank you for your very kind email! It always our pleasure to work with Diamond Electric.

It is no problem for 9 VIP day passes and 4 parking passes. As soon as you know please email me the names and titles of everyone who will attend. Once we have the passes should I send everything to you?

Also, thank you for following up with Mr. Kurita.

We look forward to hearing from you and to seeing you soon.

Best regards,

Hello Hollie and Steve,

Thank you very much for reserving the 9 day passes for the Greenbrier Classic on Sunday, July 5<sup>th</sup>! We are all looking forward to the event! It looks like we will need 4 parking passes and we hope this will not be any trouble.

Mr. Yamaguchi is going to find out which night Mr. Kurita would prefer to stay at the Greenbrier. I will let you know as soon as I find out.

We hope you enjoyed the wine and that you both have recovered from your travels. We also can't thank you enough for the support that the West Virginia Development Office has shown and continues to provide Diamond Electric. Mr. Yamaguchi and I were talking last week and he shared with me how much he and other Japanese employees (including those in our corporate office in Japan) appreciate the hospitality, accessibility and interest in our business shown by government officials in West Virginia. I can honestly say this comfort level played a huge role in the decision to relocate the corporate office from Dundee, Michigan to Eleanor, West Virginia.

Thank you again and we will see you soon.

Hello Mr. Yamaguchi and Chad,

Thank you for stopping by yesterday and for bringing the favorite gifts! They are being distributed and are appreciated.

Per our discussion, we appreciate your attendance to the Greenbrier Classic on Sunday, July 5. We have reserved nine day passes to the tournament for Sunday. When you know, please let me know the number of parking passes you will need as well. I will send more information to you via email next week. Once we receive the tournament and parking passes I will mail those to you. Please let me know to whom I should mail everything. Thanks!

Separately, during the Japan mission, Governor Tomblin invited Mr. Kurita to stay at the Greenbrier as a guest during the tournament. With the Department of Commerce sponsorship we are allotted a few, limited nights stay during the tournament. If you don't mind please let me know as soon as possible which night Mr. Kurita prefers to stay. I assume it will Saturday, July 4 or Sunday, July 5 however I wanted to check with you first before we secure a room.

Thanks again for your continued support!

Hi Dave,

I just got back in the office. Yes we will have tickets for you whichever days you need. I will reserve two VIP grounds passes and one parking pass for Joy and you for Friday, Saturday and Sunday. Please let me know if anything changes.

Sorry for the confusion. Mr. Yamaguchi and Chad stopped by right after I returned from Japan to deliver gifts. That is when they asked about the 9 tickets. They included you so I assumed you had asked for as well. I think the Governor or Keith invited Mr. Kurita when they were in Japan.

As soon as we get your passes I will mail them to you at your house. Is this OK?

Thanks!  
Hollie

Hi, Steve.

Thanks for the update. I understand completely.

Please let me know if tickets might be available for Friday and Saturday. Sunday might be difficult for us unless Joy takes a vacation day on Monday like she did last year. We have about 7 hours of driving time from the Greenbrier.

If tickets are available, it might be better for us to probably leave Michigan Thursday night and arrive at the Greenbrier on Friday for some of the tournament. Then we could stay all day on Saturday and head back on Sunday. We could always hang out for a while on Sunday until the DE contingent arrives and then start back.

I will start checking about hotels in the area. Beckley might be our best bet rather than going to Roanoke. But I'll do some checking.

Thanks again for anything that you can do. Hope we see you soon.

Hi Dave,

Good to hear from you. It's great to know things are coming to an end in California. I hope we can see Shige and Tatsuo on a future trip to Japan and see you in West Virginia sooner and more often.

Hollie is out today, but will be in later. She is coordinating this, but I understand we have 9 tickets and 4 parking passes reserved for Diamond Electric for Sunday, July 5. We understand Mr. Kurita will stay overnight on either July 4 or 5, but this has not yet been confirmed. I wish we could offer more rooms, but we have committed our scarce allotment. We do have tickets available for additional days of the tournament. The Greenbrier is sold out, but if you or others want to come earlier and stay in Beckley or Roanoke, VA (probably the two closest areas with rooms available), we should be able to provide tournament tickets and parking. Please let us know as soon as you can and we can reserve the tickets.

I appreciate your interest and look forward to seeing you again. Thanks again for all your help.

Steve

Hi, Steve and Hollie.

I'm sorry that I've been so out of touch since coming back from the Japan trip. I've been busy lining things up for my last visit to California.

Joy and I leave tomorrow afternoon and will meet Tatsuo in LA. Then we'll head to Bakersfield and pick up Shige early Thursday morning.

We'll be in Santa Monica for a couple of days and they head back to Japan late Friday night/early Friday morning.

Then the gig is up for yours truly and I'll be getting back to my normal routine which means more visits to West Virginia. Yay! We'll have to do some catching up.

I've heard that Hollie has been working with Chad Carte regarding the Greenbrier event this year. Was wondering about the plan and anything I need to know.

You were so gracious to us last year and I know there are far more important people you need to take care of. I was wondering if I need to make hotel accommodations and what days you're planning for us to be there.

I know hotels in that area book up quickly and two years ago we had to stay in Beckley. I would really appreciate it if you could fill me in on the plan so I can make necessary arrangements.

We're certainly looking forward to joining the tournament again and seeing the two of you plus all of our other buds.

Keep in touch,

Dave

Hi Todd

Thanks for your patience. Yesterday I received the results from our committee and unfortunately, none of the WV sites made it through the next round of considerations. I wish I had more feedback as to why that is, but the committee only shared which ones they want to pursue further.

I wish I had better news.

Thank you for your time on this project.

Luis,

I just wanted to touch base and see if we are still in the mix for your company's proposed project. If there is anything that you need please let me know.

Also, I wanted to invite you to a marketing event that the West Virginia Development has in conjunction with The Greenbrier Classic PGA tournament at the beautiful Greenbrier resort. We will put you and a guest up in a room, give you passes to the tournament and access to our sky box on the 18<sup>th</sup> green. We usually take our guests to dinner in the evenings, but give you the option on that. You are invited for the weekend from Wednesday July 1 through Sunday July 5. I've attached a flyer for your review.

Please let me know if you need any additional information or if you would like to join us at The Greenbrier.

Regards,

Todd

Hi Keith, Kris and Todd –

I realize you guys are still working in “high gear” this week, but wanted to **THANK YOU** for inviting my wife and I to the Greenbrier Classic this year. The State of WV team is really the best. You are all very professional, fun to be around and put on a well-organized program. It was great fun for both my wife and I to be there with you and the entire WV team. Our thanks to everyone involved!!

As you know, please feel free to reach out to me if JLL can be of any help or assistance to you in anyway. We are big fans and will try and help/support your team anyway we can.

Again, my sincere thanks for everything. It was an absolutely fantastic event. Good luck surviving the rest of the week and have fun!

Best,  
Rich

Todd,

I wanted to thank you and your staff for hosting Shawn and me and our last minute addition, Ryan, this past week at the Greenbrier Classic. I had a terrific time getting to know a few more of your staff members at the WVDO. The hospitality you extended to me and other "site selectors" was just another example of how we as outsiders in the site selection business view West Virginia and its responsiveness to businesses considering your state as a place to do business---exceptional!

I'm sorry that my hotel reservations didn't coincide with the activities that you had us involved in on Wednesday evening. Trust me , we would have loved to have spent another night at the Greenbrier in the company of the WVDO!

We watched the tournament intently on Saturday and Sunday knowing that we had traced those same steps just days earlier. What an exciting outcome and what a great showcase for the state of West Virginia!

When you're back "in the saddle," I'll want to visit with you by phone on a requirement I just received today called Project Sunrise that will have a unique infrastructure requirement with a projected employment of 1,600 manufacturing jobs.

I look forward to speaking with you soon. And again, a great big "thank you" for our visit.

Best regards,  
Tommy

Todd,

Thanks a million for a great time at The Greenbrier... Elizabeth and I had a blast! The resort is such a treat and the golf tournament makes it even more fun. Exciting finish yesterday with the playoff.

We've got a few things going on with Steve Christian right now so maybe we'll see you in the near future.

Enjoy the rest of the summer and thanks again!

Paul

P.S. Just saw today that my high school football team (coached by my former high school teammate) is opening up against St. Edwards (OH) in the Brothers in Arms Classic at Mountaineer Field on August 29<sup>th</sup>.

Todd,

The hotel reservations mix up gave me an opportunity to show Shawn and Ryan my Mom's roots in Bluefield , WV on the drive back. And it allowed me to find my Grandparents' graves in Mercer County. We made good use of our time and enjoyed ourselves thoroughly.

I have a conference call at 11:45 a.m. on Project Sunrise to "fill me in" on further details. Will give you a call later in the day.

Thanks,  
Tommy

Tommy,

I apologize for the mix up with the hotel. Our records did have you staying, but the hotel did not. I am truly sorry for that. If we are lucky enough to do this again, we will make it up to you. Call me anytime this afternoon or later in the week about Project Sunrise. We would love to work it!
